

SERENIS 360° – PENINSULAR

The arc inspired design of the Peninsular marks it out as a stand-alone shower enclosure of truly innovative conception.

Peninsular incorporates several excellent features such as:

- 6mm safety glass with easy clean coating
- Silver finish frame
- Chrome plated brass water delivery system
- On/Off water control both inside and outside the enclosure
- Fixed 180mm diameter single function overhead shower
- Shower kit with a three function high-pressure hand spray
- The enclosure is guaranteed for 10 years
- The water delivery system is guaranteed for 5 years
- The acrylic shower tray is guaranteed for 25 years

SERENIS 360° – CORNER

The Corner is available as a right and left hand shower enclosure, and incorporates the same excellent features as the Peninsular:

- 6mm safety glass with easy clean coating
- Silver finish frame
- Chrome plated brass water delivery system
- On/Off water control both inside and outside the enclosure
- Fixed 180mm diameter single function overhead shower
- Shower kit with a three function high-pressure hand spray
- The enclosure is guaranteed for 10 years
- The water delivery system is guaranteed for 5 years
- The acrylic shower tray is guaranteed for 25 years

The Serenis 360° is plumbed through the floor, taking the water up through the central column of the shower enclosure.

The water is delivered through the built-in overhead shower or through the hand spray, or both*

*Subject to water pressure.

SERENIS 180° CORNER

The Serenis 180° Corner is available with the dedicated water delivery system or can be combined with the shower kit of your choice for an elegant showering solution. The Serenis 180° Corner incorporates several excellent features such as:

- 6mm safety glass with easy clean coating
- Silver finish frame
- Chrome plated brass water delivery system
- On/Off water control both inside and outside the enclosure
- Fixed 180mm diameter single function overhead shower
- Shower kit with a three function high-pressure hand spray
- The enclosure is guaranteed for 10 years
- The water delivery system is guaranteed for 5 years
- The acrylic shower tray is guaranteed for 25 years

SERENIS 180° ALCOVE

With its sleek curved glass and graceful silver frame, the Serenis 180° Alcove looks subtle and stylish in an alcove style shower space.

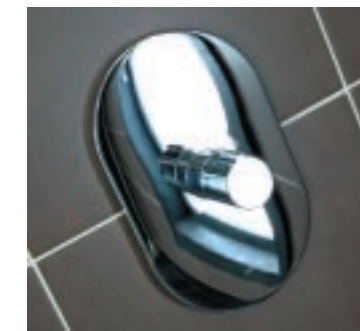

The Serenis 180° Alcove incorporates several excellent features such as:

- 6mm safety glass with easy clean coating
- Silver finish frame
- Chrome plated brass water delivery system
- On/Off water control both inside and outside the enclosure
- Fixed 180mm diameter single function showerhead
- Shower kit with a three function high-pressure hand spray
- The enclosure is guaranteed for 10 years
- The water delivery system is guaranteed for 5 years
- The acrylic shower tray is guaranteed for 25 years

The glass walls of the Serenis range are all positioned directly onto the inside of the shower tray and fixed onto design-dedicated mouldings, which means they are completely silicon free.

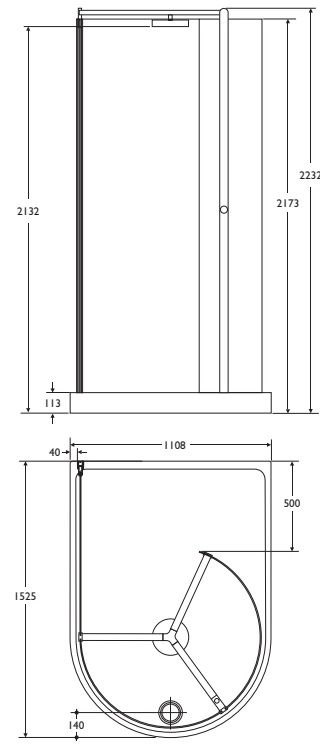

SERENIS WETROOMS

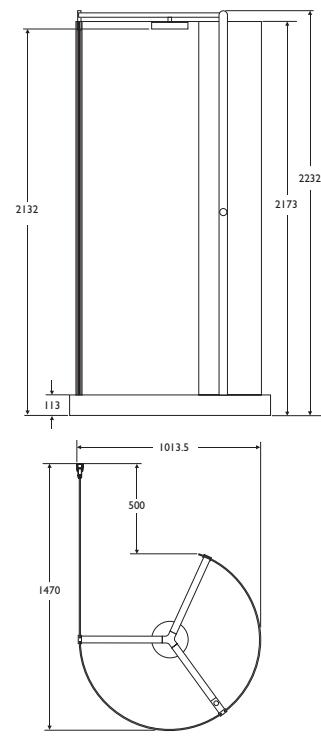

Resting on elegant metal feet, looking even more like avant-garde sculptures, the elegance and grace of their design makes Serenis perfect for the Wetroom* showering experience. All Serenis enclosures are suitable for Wetroom installation – pictured left is the 360° Corner model.

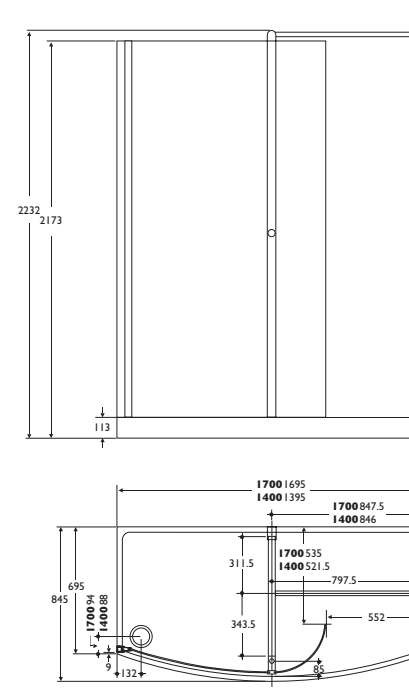

*Ensure the room is adequately waterproofed prior to installing a Wetroom enclosure.
